USGA Rules will govern all play (including the 14 club rule). ***ALL PUTTS MUST BE HOLED!!***

Format: 2 Best Balls of 4-some (90% of handicap – The handicap on the scorecard has already been converted). Players must exchange scorecards with your playing partners prior to teeing off. (Maximum Handicap of 18.4, for calculation).

Qualifiers: 1 Team will advance. Ties will be broken by sudden death play off starting on #10 immediately following scoring of the final group. Belmont Country Club will take care of the team entry - the qualifying team is responsible for its own expenses.

Entry/Buyout: The entry fee is \$40/team; there is also a \$40.00/team buyout available.
Winners take all!!

NOTE: Two of the teammates will tee off with 2 teammates of another team, in one group. The remaining members of each team will tee off together, in the trailing 4-some. Teammates in different groups can only communicate on the turn and in person – no cell phone communication. You are allowed to fill out an extra card (other than the one prepared for you) and exchange it with the other twosome, if you wish...but you can only do this at the turn.

When the round is completed, please turn into the pro shop, both signed twosome cards and the NCGA computer will compile the team score. We would like both scorecards to be signed by both team members & attested by a member from the other team in the group.

**The Regional Championship is on
April 28th & 29th**

Good Luck!!
